Weeping skies have certainly played

weeping skies have certainly played of Johnny Hek with the Tribe's schedule, and only once in the past four days have our Chicks been able to stretch their wings and go out on a foraging expedition for games. And in that one in continuous contents they were defeated by the Chattaneoga Lockouts when Carl Manda booted the ball. The Chicks have moved from the shadow of Lockout Mountain into Sulphur Dell at Nashville, and made an attempt to stage a ball game back of the capitol Friday, but just as soon as fell to the trihe arrived in town, Col. Roscoe Nunn, the bald-headed weather man of the Opportunity City, notified the rainmakers to let everything they had on hand loose on the ball yard, and sulphur Dell was in no condition to entertain our cellar champs.

John D. Martin, league president, was there and everything had been planned to do things up brown, but rain and baseball, like Democracy and Bolshevism, will not mix, and the baseball program had to be called off. A banquet was served at the Commercial club and Managers Ellam and Barger, 348 along with Kiwanians and President Martin, made home runs with every course that was served. So the day wasn't wasted after all.

Another attempt will be made to get asterde this afternoon at Sulphur Dell. The Chicks are dated to be mareoned in Nashville over Sunday.

in Nashville over Sunday.

WHAT'S THE ANSWER?

Just as soon as Kid Elberfeld quit managing his team from the bench and was larred from the parks, his club got, busy and went into the Southern tot, busy and eague leadership.

The Chicks are clamping themselves to the last position in the Sunland race and will have to launch an attack like the Chickasaws of frontier days and fomahawk a few of the other clubs if they can hope to get out of the gooey mire that now holds them in sast place.

ELBERFELD'S HARD LUCK.

ELBERFELD'S HARD LUCK.

Kid Elberfeld is about to begin to believe that somebody has it in for him in this man's league. The Kid, who is still on the outside looking in because he hasn't yet paid \$20 into the league treasury for his fun of spiking Umpire Harry Johnson's toes in Little Rock recently, was in Chattanooga Friday with his ball club. Dee Walsh, who is some little rough-houser himself, crowned a fan with his list prior to the Chattanooga-Little Rock game. The bluecoats were sent after Walsh and they saw Elberfeld and mistook him for Dee. So the cops promptly led Elberfeld off and the Kid nad a hard time convincing the minions of the law that he hadn't crowned anybody. anybody.

#### CHRIS GETS IN GAME.

A new Tribesman is expected to get in the game today, Lou Christenbury, a young infielder who formerly did intied chores for Churley Frank, will break into the batting order in place of Al Cook and will play second base. Chris has been hitting well over 300 and while his fielding chances drifted over into the error column almost daily, the boy was taking chances next to impossible. Chris was lead-off man for possible. Chris was lead-off man for Atlanta and Cracker scribes say he is one of the fastest men in the league Christenbury comes in exchange for tred Bratchi, who is rattling the boards in all Southern league parks by his good hitting. Bratchi signed with Frank by teiling the Dutchman he was a free agent, but Memphis still had a ciaim on him and Frank satisfied it

Cy Barger may or may not have pulled a bad oit of judgment in having Goodbred pitch to Higgins and lose the game in chattanooga the other day, but it seems that it would not she bad judgment if some sort of change of program is made in the handling of the team on the field.

Some fans do not like to see a batter pussed purposely, but these same fans would prefer to see a man walked intentionally than to see the club go on losing day after day. Of the two evils, the walking of a batter on purpose is the lesser, at least this is the viewpoint from where we sit this murky morning.

#### PAL MOORE WINS OUT.

PAL MOORE WINS OUT.

Pal Moore, the Memphis bantam, will get 15,000 berries for meeting Jimmy Wilde in London July 4. Pal has been holding out for this julcy figure ever since the London promoters decided to stage a return go between Moore and the crack little Britisher.

Moore was offered \$11,000, but he thought he was entitled to more of the root of all evil because of his one decision over Wilde, and also that he had beaten Pete Herman, the bantam champion, as well as a flock of other good bantams; in fact, every boy in the bantam layout.

This will be the largest amount of money that a bantam ever received for a bout. And Pal is not even a champion, holding no crown.

"How shall I bet in the derby to-

'How shall I bet in the derby to-day?' calls up a horse fan over the telephone. Call after 6 o'clock tonight and the correct dope on the big event will be given.

#### TRANSPORTATION SENT.

Transportation has been forwarded to Mike Gibbons, Len Rowlands, Johnny Griffiths, Benny Chavez, Pal Moore, George (Knockout) Brown, Phil Harrison and Jack Dillon, the eight prominent boxers who will show at the New Lyric theater here, during the big centenary celebration on May 19, 20, 21 and 29.

All eight fighters are expected to get in Memphis by May 15 or 16 and will complete their training here.

#### RAIN PREVENTS **MATINEE RACES**

Tri-State Driving Club Cancels Card on Account of Mud.

A sea of mid at the fairgrounds race track necessitated the calling of this afternoon's scheduled matinee racess of the Tri-State Driving club. At a meeting held Friday night it was decided by the club to call off this afternoon's card and to put it on next Saturday. A very attractive program of racing had been arranged, but a steady rainfall of the past two days, coupled with threatening weather this morning made it necessary to abandon any attempt to race.

The North Memphis Driving club will go through with their races at the North Memphis Driving park on ac-count of the fact that their track is not affected by rainfall.

#### PLESTINA WINS.

NEW YORK, May 10.—Marion Ples-tina, of Chicago, obtained the first fall from Jack Taylor, of Calgary, Canada, in a catch-as-catch-can wrestling match at Madison Square Garden last night, two falls out of three to decide the winner. Plestina threw Taylor with a double-wrist hold after wrestling one hour, 22 minutes and 33 seconds.

#### PAL MOORE WINS HIS POINT AND WILL GET \$15,000 FOR MEETING JIMMY WILDE IN LONDON ON AFTERNOON OF JULY 4

Pal Moore, the Memphis bantamweight and the leading bantam of the at last landed his match with Jimms Wilde. The bout will take place London, England, on July 4. Pat will receive \$15,000 as his share of the purse, this amount having been agreed pon by the London promoters and Manager Nate Lewis, of Moore. Pat has been holding out for \$15,000, having been offered \$11,000. The London promoters finally decided to meet Moore's figure, and the articles for the bout have at last been signed.

Pal is planning to sall for London the middle of June in order to get acclimated and be in the best possible shape for Wilde when they meet in London July 4. Moore only recently was operated on for the removal of his tonsils and has lately started work to get ready for his bout here with Benny Chavez, the Mexican bantam, which will be Moore's last fight before he meets Wilde Pal is expected to return to Memphis within the next few days and will do the major portion of his training in Memphis gymnasiums. Pal will meet Chavez here at the New Lyric theater on May 22, the final night of the four big Centenary boxing shows.

## Carroll Tops Chick Hitters; Street Pulls Into Front

Pug Griffin Hitting .333 and Is Below Dixie-Lewis Barely Breaks Into .300 Circle-Only Three in It

IXIE CARROLL, Memphis center fielder, has overtaken and passed Pug Griffin for batting honors among the Chicks, Carroll is batting 345, while Griffin is close behind with 333. Gabby Street, Nashville catcher, is leading the league with the julcy average of 410. The old boy has been hitting the ball hard this spring and in the late Memphis-Nashville series he kissed the onion on several occasions, and was in the main responsible for the defeat of the local club.

Nashville, is topping the pitchers with three games won and none lost.

#### NO. 6 IN HEADLESS BOXER CONTEST IS ONE OF BEST KNOWN BOYS OF THEM ALL

No. 6 of the headless boxer se ries is herewith presented, and those fans who have had trouble in picking some of those that have gone before should be able to choose this one without going to any great amount of head-scratch-He has fought here on several occasions and this pose should be familiar to all close followers of the Marquis of Queensberry game in Memphis.

Much interest is being taken in the contest, and many inquiries are being made at this office regarding the boxers. There are a number of fight fans who call up to get as much information as the law allows by way of guessing the identity, but they get very listle, as nobody is being told anything and every guesser has to depend upon his own knowledge in pick-

ing the winners. The two winners of the contest -those who guess the largest number of the pictures correctly -will get two ringside tickets to all four big centenary fights. The third and fourth winners will get ringside seats to the Pal Moore-Benny Chavez fight.
